

Catering Rider

i am happy with nearly everthing that is fresh.
I prefer vegetarian food , although i am open
to a good fish or veal meal..
grapejuice, tea and water keep me awake and i enjoy a
glass of wine or a bottle of cold beer to and after the show

i dont need sweets and drugs! Only a coffee sometimes helps
to brighten the day!!

looking forward to your local kitchen and
the evening we will spend together

all the best
